

Purpose of This Public Information Centre

The purpose of this public information centre is to:

- Summarize comments received to date from the public, and how they have been addressed
- Present revised analysis of the alternative haul route impacts
- Present the preliminary results of the evaluation of alternative routes
- Present the preliminary recommendations on the preferred haul routes
- Present recommended improvements and mitigation measures
- Obtain your comments and input on the information presented in this public information centre
- Outline future steps in the study

We are carrying out ongoing consultation with the Combined Aggregate Review Team (CART) but detailed reviews are still continuing by CART. We will continue to provide detailed information to CART and work with them over the next several months to arrive at a final recommendation for a preferred haul route.

We welcome and invite your comments, thoughts, and suggestions on all information presented at this public information centre.
